HOUSE OF BRANDS

Uhuru's House of Brands is the first of its kind design-as-a-service platform, delivering New American Design furniture solutions and design services into the commercial B2B and residential D2C markets. Uhuru leverages its Smithsonian Museum pedigree, best in class design organization, and vertically integrated international supply chain to partner with end users and specifiers across residential, hospitality, food and retail, and flex office projects in addition to direct to consumer brands and clients.

NEW AMERICAN DESIGN FIRM

uhurudesign.com

Uhuru is a nationally recognized 15+ year old design firm, leading the New American Design movement at scale with furniture in America’s most prestigious museums. Uhuru provides workplace, ancillary, custom projects, and additional contract resources across workplace, hospitality, food, and public spaces. Uhuru designs in NY, LA, and manufactures in its facilities in PA, MI, and through its Vietnam subsidiary, with top tier domestic and international vendors.
