Display Options

Search
Used to perform a keyboard search of the eBook.

Bookmarks

Notes/Highlights
Access notes and highlights you added to the eBook.
Export your saved notes to Google Drive(TM) and Microsoft(R) OneDrive.

To page forward and back:
Click the forward and back arrows (if available on your device).
Use the right and left arrows on your keyboard, or swipe on your device.

ONLINE MODE

Page 5 - 7 of 36

Destiny Discover

Here's a closer look at what you'll see when you click an icon in an eBook's header.

Main Menu

Offline Access
Save your eBook to read offline.

Offline Content Library
Access the eBooks you saved for offline reading.

Table of Contents
Browse chapter names and click to go directly to that place in the book.

Display Options

The options you see depend on the format of the eBook.

Font
Drag the slider, or click A- or A+ to decrease or increase the font size.

Dyslexic Font
Turns dyslexic font on or off.

Page Layout
Switch between single- and double-page views. Click **Auto** to return to the view set by the publisher.

Themes
Click a color swatch to change the background or font color.

Zoom to Fit By
Use to set the page size to the height or width of your display.

Notes, Highlights and more

Select a portion of text you want to work with. A pop-up displays a number of options.

Icon	Description
HIGHLIGHT	Click to highlight the selected text. From the pop-up that appears, select a color.
NOTE	Click to add a note to the selected text. To add a highlight to a note, select a color. Click **SAVE**.
PLAY	Click to hear the current page read aloud.
GOOGLE	Click to search Google for the selected word or phrase. A list of 10 search results appears. Click a link to open it in a new page in your browser.
DEFINE	Click to look up the definition of the selected text. A list of definitions appears, including the source for the definition.
SEARCH	Click to search the eBook for the selected word. Click a search result to go to that page.
