

# 3" x 4" Compact Sanding

Tools / Abrasives / Sponges / Accessories

**Mirka's 3" x 4" product line makes smooth work of tight spaces. Pair power tools with premium Mirka abrasives and professional dust extractors and accessories for a truly effortless working solution.**

Compact power sanders include the electric DEOS and the tried-and-true pneumatic tools. With a variety of paper and film abrasives, plus sanding sponges with grip tool attachment, performance and results are upgraded anywhere hand sanding had previously been needed.

## KEY FEATURES:

- Ergonomic, compact size is perfect for sanding window and door frames and trim
- Abrasives fit new electric DEOS + MR-34 and MR-34DB pneumatic tools
- Selection of abrasives fit the job, budget, and preference
- Sanding sponges of varying density, ideal for profiles, edges, and small corrections
- Improves health and profitability when part of a Dust-Free system

## APPLICATIONS:

-  **Automotive Refinishing**
-  **Composite Processing**
-  **Construction & Decoration**
-  **Marine Industry**
-  **Woodworking**
