Educator Retreats 2023-24

Every day, teachers give their all for students.

We think it's time to give back.

Help us honor teachers in the Austin and San Antonio area with a two-day retreat at The Holdsworth Center's Campus on Lake Austin, a one-of-a-kind place dedicated to the idea that *public education holds worth*.

At the retreat, teachers have an opportunity to unplug, talk with peers and learn about ways to manage stress and enhance their well-being.

“Everything planned felt intentional to de-stress and arm educators with tricks and tips to continue the work beyond the weekend.”

“In all honesty, this is what teachers need. They need to be able to sit in this relaxed environment, recharge, build relationships, and really feel that peace that came from the retreat.”
